Mercedes-Benz Genuine
Remanufactured Parts.

Genuine Remanufactured starters. Your key to value for money.

Making sure your Mercedes remains a genuine Mercedes – even with kilometres on the clock and on a tight budget.

When buying a Mercedes-Benz Genuine Remanufactured part, ask about the savings you could make when you return your defective used part.

And with price reductions of up to 40% on our complete van starter range, now you have even more reason not to compromise on quality and durability.
